December 2011

Dear Brethren in Christ,

We would like, through this letter, to give thanks to God for all that He has allowed us to enjoy during this time that we have been in the United States, and specifically in the state of Texas. For the tremendous opportunities and great privilege of preaching the Word of God in churches that support us faithfully through their prayers and offerings with which they help us. We praise the Lord for the faithfulness of our brethren, which encourages us to continue ahead in the work that the Lord has commended us. Thank you for receiving us and allowing us to give a report of what the Lord is doing in His work in Chile. May God reward the love you have shown toward us, which manifests the true love of God in your lives. We thank God for the Mission Conferences which He has allowed us to attend, which show objectively the heart beat of our Lord Jesus Christ, who wants every human being to be saved and come to the knowledge of the truth. Thank you, Lord, for missions!

We thank the Lord for allowing us to have a vehicle to be able to visit the churches. The Lord moved in the heart of my son, Robert (Bobby) to supply this need. May God recompense my son for his burden and great show of the work of grace.

We thank the Lord Jesus Christ for Rudy and his wife, my daughter, Debby, for allowing us to stay in their home. I thank God for the care they have given us and the affection they have shown, and above all, for allowing us to love on Lucas, our beloved grandson. God has allowed us to have this very special time.

As we get close to Christmas time, we give thanks to God for giving us the wonderful gift of spending this time with our children that live in the United States and with the rest of our family. We can't always do this, and this year we will take full advantage of this. We pray that the most important thing this Christmas will be Christ, and only Christ. To Him be the Honor and the Glory!

We ask for your prayers that God will supply all that is necessary to travel on the 9th of January back to Chile. Pray for our Family Camp on the 23rd-28th of January. May God touch the hearts with His Word. Ephesians 5:20; I Thessalonians 5:18.

Brethren, thank you for your faithfulness to the Lord. We love you in Christ.

In Christ,

Lohen González
