**OCTOBER 2011**

My Dear Praying Friends,

I would like to thank you for praying for my health this month. As I mentioned in my previous letter I was down with viral pneumonia and it took almost two weeks in October to get rid of it and all it came with: IV, antibiotic shots, pills, nasal sprays, etc. were my lot for all this time. That paralyzed the work for some time, however I was able to spend more time with my laptop computer while in bed and I used this time to ready myself for the next project. Although I involved PowerPoint presentations in the past in my preaching it was not something I widely used in churches. Now I am preparing a series of sermons on prophecy and Israel that I would like to travel to different UA regions and churches with. I have a screen and a projector (as well as the laptop computer) to be autonomous if the church does not have an interactive set-up. My experience tells me that such presentations are so welcome and well attended by church members that are worth giving it time to educate Christians about the upcoming world events, Israel and the Jews in Biblical light. As I am finishing the preparation for that I am scheduling the meetings ahead to possibly have a non-stop time starting next year to travel and preach. Such a presentation is also a great door opener to come in the church and present Jewish missions to its congregation and pray that the Lord would raise a worker (possibly a missionary) who would be burdened for the House of Israel in his/her city and partner with JEM-UA to reach the Jews. **Please, pray that all (presentation material and meetings schedule) will be ready come the projected start time.**

Annual 'Prophecy and Israel' in Dnepropetrovsk, that took place 28-29 of October, was a success. Praise the Lord! While I held six consecutive conferences like this one in Kremenchuk in previous years and several in other UA regions, it was the very first one in my own home city (DNK). I advertised for it in JEM-UA quarterly newsletter, two Christian papers and by personal invitations that were sent-out. As a result a total of 240 people in two days attended to hear five speakers preaching mainly on Israel, prophecy and evangelism. Two solo singers and one musical group provided the singing part, and all in attendance received books as presents, were fed and given the conference pens with folders containing all the lecture materials. I always had different American preachers to participate in every conference but this year was an exception due to several obstacles. I praise the Lord I now have a standing invitation from church pastors to conduct the same conference next year. It has always been my goal to have such conferences in all UA regions. It is doable and slowly but surely I press toward that mark.

After the last session of the conference I offered those in attendance free Jewish gospel tracts written by Dr. Henry Benach (JEM founder and director) that I have several boxes of (they are in color and glossy paper used, real nice, called 'Jerusalem Road.' I think Dr. Benach left more tracts with me than there are Jews in my city :) Two thousand tracts were gone as over 100 people took as many as they thought they can give out. Amen! The weathers are cold here now and tract distribution time is practically over but our continual prayer is that God would lead unsaved Jews our way so we may witness. **Please, pray with us for their salvation!**

The fall school recess is over. Kids are due back to school. Everybody is healthy. Olga and I are doing great! All is fine and we can't thank our Lord enough for taking such care of us. **Please, be assured of our gratitude for your generosity in your end of the year giving as we have Christmas money (and parcel) gifts coming in about this time!!!** It is always a special time each year to allow us to purchase something nice or go out eating, etc. **Let the Lord richly bless you as you serve as a source of blessings to His servants. Please, continue to pray with us for the peace of Jerusalem, salvation of the Jews and the growth of the love of Christians toward the Jews, our ministry, JEM, our Family! Shalom Aleichem!**
