Dear Pastor and Church,

As we approach the end of the year and the Christmas season we want to thank each of you for all you do that allows us to be here where God has called us. We celebrated 16 years on the field back in October and are grateful for all the churches that have stayed the course with us. It means a lot.

The work here continues to progress. After seeing a few wolves leave we have seen growth in the group here. At the request of the people we have started a Sunday evening service as well and are focusing on doctrine in that service. So far it has been well attended and well received. We have seen a few visitors in the past few months and are encouraged about the future of the work. We continue with the Canvas Cornwall project in addition to the work in Liskeard and have purchased 1350 candy canes for our annual handout on the streets of Liskeard in December. We have only had one person visit from the 14 years of candy caning but that one person heard the gospel and that makes it worthwhile.

There has been a great response to our missionary retreat this year and it is still early. We had already booked a new larger facility for this year but it may not be big enough. Traditionally we have just invited missionaries from the UK but expanded it this year to folks in Europe. Thank you to the churches that send a bit extra to help us put on the retreat and try to be an encouragement.

We would like to wish each of you a Merry Christmas and a blessed New Year.
