JIM SANDERS
PASTOR

3-26-2018

Dear Pastor and Church,

Greetings in our Lord and His Resurrection. We are finishing up our month this week with a precious young lady saved Sunday and baptism scheduled for next week. We are excited about our upcoming Resurrection Sunday with Evangelist Dave Kelley preaching for us.

We are presently without a secretary here at the church. Our long time secretary, Mrs. Kerry Wishon and her husband Larry, have moved to Texas, due to his job placement. We miss them greatly.

I have taken a job in Tulsa, to help make ends meet and help with the church's finances and missions program. With this change I am asking our supporting churches to drop us from support due to the more permanent work as pastor and no longer as church planter, though we are and will remain involved in church planting.

We thank you for understanding and for your faithful support over the years and want the support to continue to be invested in missions.

In His Sweet Service,

Bro. Jim Sanders and Church

"The Church with a Heart"
